WHY YOU SHOULD BOWL

100% of your donations will go directly to Connecting for Kids programs.

During these unprecedented times, Connecting for Kids has helped local families navigate the many changes caused by the pandemic.

"When the world shut down due to the coronavirus, so too did all of my daughter's therapy centers. Soon, the fear flooded in. Would she lose skills? Would she regress? The Connecting for Kids support staff was there to help me think through all of our options."

- Annie Suhy

"My two-year-old son, Cameron, who has Down Syndrome was admitted during the COVID crisis to receive treatments for Leukemia. I am so thankful for the Music Therapy & More program, which we were able to access in our hospital room using Zoom. He would always look forward to these sessions."

- Adelaida Brown

"I was just lost this spring and it was great to be able to call Connecting for Kids and hear about resources for my daughter. I love the sense of community."

- Elaine McLaughlin
